GREG MARRS

Chairman's Letter

As we close another successful year, we are pleased to report that First American Bank has achieved another consecutive year of record earnings. This is a testament to our team's dedication, our strategic initiatives, and the trust our customers place in us. Our financial performance continues to reflect a steadfast commitment to operational excellence, sound decision-making, and a clear vision for our bank.

Equally important is the time and energy we have invested in strengthening our culture. We have dedicated significant resources to cultivating a workplace environment that fosters collaboration, teamwork, accountability, and integrity. By

focusing on our internal culture, we have created a team that is not only motivated and skilled but deeply aligned with the values that drive our business model and our community commitment.

We closed the year with total assets of \$1.77 billion and net income of \$44.2 million. Net income increased \$1.1 million from the prior year. These earnings resulted in a Return on Assets (ROA) of 2.37% and a Return on Equity (ROE) of 31.74%. This places First American Bank in the top 5% of peer in terms of ROA and 7% of peer in ROE.

Beyond our financial performance, we remain deeply committed to our communities. We reached a significant milestone in 2024 as our loan portfolio grew to exceed \$1 billion in total outstandings. Not only does the loan portfolio represent a significant driver of the core earnings of our bank, but it also represents investment back into our communities as these dollars help small businesses and individuals to thrive and to accomplish their financial goals.

We continue to place a strong emphasis on philanthropy and community involvement. We supported several fundraisers, working hand-in-hand with local organizations to raise over \$1 million for various causes. These efforts are a direct reflection of our ongoing commitment to being an active and positive force within the communities we serve.

We have an outstanding team

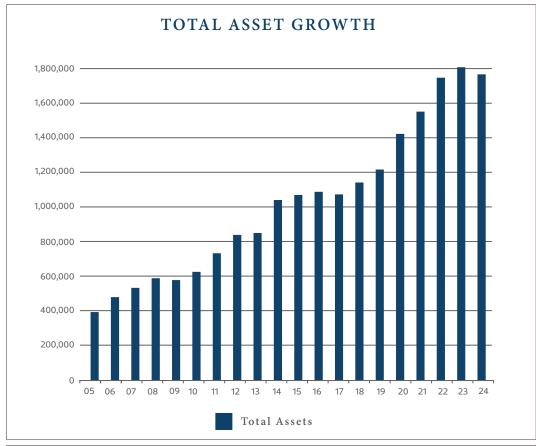

comprised of our board of directors and employees that are critical to our ongoing success. It is through the vision and support of our board and the implementation of that *vision* by our team that makes First American Bank one of the *strongest and well-respected community banks* in New Mexico and West Texas. We have continued our *outstanding financial performance* again this year and are pleased to present a very positive report for 2024 that positions First American Bank for a bright future. Thank you for your continued *trust and partnership*.

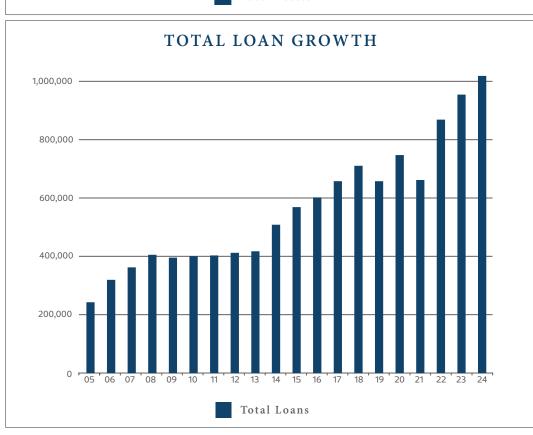

Sincerely,

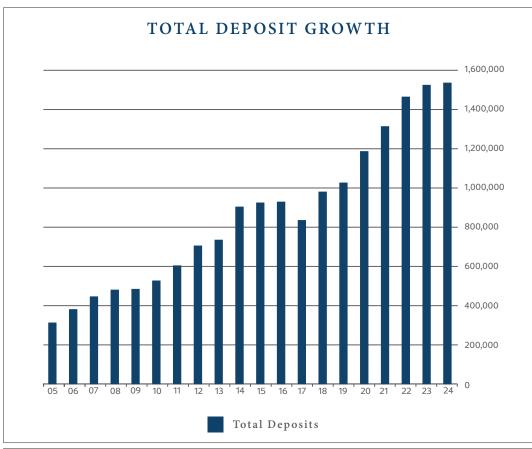

Greg Marrs
